BY POPULAR DEMAND RESCUE 100 CLUB NO. 2 LAUNCH RESCUE NEEDS YOUR HELP

Every year the Rescue club spends £7000 to help Cavaliers who have lost owners, been abandoned and are sick and in need of TLC. Often local authorities will put down stray dogs within 7 days – that is why the Rescue needs funds to help.

A tombola, raffles and gift stalls help as do simple donations, but a more regular source of income is needed. You are invited to become an individual member of Humberside CKCS RESCUE and then participate in a “100” club draw spread over the next 12 months.

Individual members are asked to contribute only £5 a month, £60 in a full year.

£1 of the contribution makes you an individual Rescue Club member with a unique number; the balance goes into the funds. All members will then participate in a monthly draw when membership numbers are drawn randomly for cash prizes.

Initially membership will be restricted to 100 members in the year to March 2018.

The objective is to return 60% of the contribution to members as prizes and thereby to create some £2,400 as a contribution to Rescue funds.

The 100 Club will start on 1st March 2017 with draws every month commencing in April for 12 months when five prizes will be drawn. One of £75, one of £50 and three of £25. All numbers will have an equal chance in every draw, but no number will be able to win more than one prize in any one month.

There will be 11 draws for the above prizes, December 2017 will be the exception when we will have a “SUPER DRAW” with many prizes

One each of £400, two of £250, two of £100, three of £50 and six of £25.

As before, only one prize per number, but we start with the highest first !!

All prizes will be paid by our Treasurer, Sue Robinson, each month.

In the event that fewer than 100 people wish to be RESCUE CLUB members, prizes will be scaled down proportionately for a membership between 50 and 100 and if less than 50 applications are received then all money paid will be refunded in full.

It will be first come first served and membership will close after the first 100 applications have been received by Sue Robinson. Individuals may have multiple memberships (2 would cost £10 a month £120 a year), but for this year no more than 4 per person will be accepted. You can pay monthly by standing order (just fill in the form), but it would help the Club if an upfront payment could be considered.

All members will be given a membership number by the Treasurer (it will be needed before lodging the standing order with your bank as it must show the number)
