## • OUR JUDGES •

### Miss Zuzana Novakova (Prokopska Hvezda) [Czech Republic]

My name is Zuzana Novakova, I live in Prague in the Czech Republic.

I grew up with dogs. Our family used to have German Shepherd Dogs. In 1991 my mother decided to have also smaller dogs. She chose for us the most wonderful breed in the World - Cavalier King Charles Spaniel. We started to breed with two females (BH and BT) and with one TR male. At that time I completely fell in love with Cavaliers and began to dream about my big breeder's future and also about my judges career.

Our first litter came into the world in 1993. Since that time we have bred 7 generations of Cavaliers with affix Prokopska Hvezda.

Nowadays we have 8 Cavaliers ( three veterans, three brood bitches and two boys). We try to breed dogs with the highest quality of exterior, but we also pay a lot of attention to their health. Our lines are longlife, which makes us very happy.

Our most famous dog is definitely I Ch/Multi Ch Zippy Prokopska Hvezda. He was a special boy with lovely head, great body and perfect movement. He has 40 x BOB, was European Winner from Holland in 2011 and from Romania in 2012. Etar and Daboia, his younger siblings, followed his footsteps. Etar, who lives in Slovakia, has 25 x BOB, Daboia was European Winner from Geneva in 2013. Other names, which I would like to mention, are Fantastica and Faranel. Two kids sired by lovely English Champion Aranel Cosmic . Both of them became Interchampions. Fantastica won very competitive classes at the World Dog Show in Helsinki 2014 and at the European Dog Show in Brussel 2016. Faranel is used in Czech Republic as a stud dog. He has very good influence on Czech breeding.

Nowadays I'm in love with tricolours, especially with our sweet boy Chaplin 'Karlik'. He is the most successful dog in Czech Republic at the moment. He won many Club Shows in Czech, Slovakia, Poland and Germany. Till now he has gained 29 x BOB mostly under breed specialist judges.

In 2011 my childhood dream came true, I passed the exams for judging Cavalier King Charles spaniel and I became the International judge in 2014. I can also judge Boston Terriers and Chihuahuas. Currently I study three other breeds from FCI Group IX and I hope I can judge them in the near future. Till now I have judged many times in the Czech Republic, at the Club Show in Germany, Denmark and Russia.

I prefer typical sized dogs with a good bone, level topline, elegant movement, round dark eyes and sweet expression.

I was very delighted, when I received your invitation. I'm really looking forward to seeing and judging your Cavaliers. Such a honour for me.

### Mrs Jenny Nolan (Jernito)

I have always loved animals and was always desperate to have more when growing up. It would seem a Border Collie, cat and rabbit were not enough! Once an adult and a Mum I was looking for a family dog that liked cats and children and along came my first Cavalier and my total infatuation with the breed and the dog world. Having worked in health and social care management I trained as a groomer in 2013 to be around more for my dogs and family and soon wanted to take up showing. What a learning curve I have been on, everyday is certainly a school day. I was lucky after showing my darling pets that Anne Bayliss of Castlewyth Cavaliers agrees to sell me my first show dog and share freely with me her knowledge. She has certainly drummed into me the importance of confirmation and sound movement. A true sound mover is a great pleasure to watch I find. Having started upon my own breeding regime recently i am enjoying the new challenges I have set myself on my journey in dogs and beginning my judging career.

I was absolutely delighted to be offered the opportunity to judge the special awards classes and hope exhibitors will honour me with the opportunity to give my opinion on their dogs.
